PHILIPPE RIVOIRE — $\frac{3}{4}$ Actual Size
The World's Greatest Red Peony

6 PEONIES AND "PHILIPPE RIVOIRE" ^{FOR ONLY} \$3 _{PREPAID}

Or Your Choice of the Magnificent Rose-Pink Peony "AUGUSTE DESSERT" Shown on the Right

I AM SURE that Philippe Rivoire and Auguste Dessert are two of the most loved peonies. Philippe Rivoire is a deep, rich red or crimson peony with blackish sheen and delightful rose scent and Auguste Dessert is an equally fine, large, deep rose pink, double peony with wide petals bordered with an unusual showy, silver tone. It shows some stamens which gives a wonderful effect with the pink petals. After the death of the great peony originator, Auguste Dessert, this magnificent peony, which he originated, was named for him as a fitting example of this man's great work. It is a marvelous flower and a \$7 value. Both are large showy flowers in the garden.

You may have your choice of "Philippe Rivoire" or "Auguste Dessert"
(Simply indicate your preference on the order blank.)

An Unusually Fine Collection

Most of my customers are aware that I have at present one of the foremost peony collections in the world. Here is represented almost every color, type and shade known to peonies. Named varieties and outstanding kinds are here in abundance and from this mammoth planting I will personally supervise the selection of varieties for the collections described in this folder.

This Offer Sets a New Standard of Value

Present business conditions and the fact that I have huge stocks of outstanding peonies, grown over a period of several years, makes it possible for me to offer a collection at a price which I firmly believe sets a NEW STANDARD OF VALUE. This is a time and opportunity that every flower lover should by all means take advantage of.

Peonies are Permanent Flowers

Peonies thrive well in the same location for many years. All they require is little care and cultivation. They will stand considerable abuse, thriving in spite of neglect. They are a safe flower for the amateur and will repay well whatever attention can be given them. On the other hand, they command attention of the best informed flower lovers and will repay many fold any special care given them.

The illustration on the right shows "Auguste Dessert" and below a typical planting of Peonies.
